Subject Letter of Appreciation

Dear Akshat,

This letter of appreciation is presented to Akshat Rajvaidya for participating in the Dutch National Institute for Public Health and the Environment (RIVM) Responsible Disclosure Program.

On behalf of the Dutch National Institute for Public Health and the Environment, I would like to thank you for participating in our Responsible Disclosure program.

At the Dutch National Institute for Public Health and the Environment, we consider the security of our systems a top priority. But no matter how much effort we put into system security, there can still be vulnerabilities present. For that we warmly welcome people like Akshat as participant in our Responsible Disclosure program.

We appreciate not only that you have reported several security issues to us but also that you have done this in a professional manner.

With kind regards,

National Institute for Public Health and the Environment
